# ***The Elaborate Entrance of Chad Deity and Actually* have been canceled**

**In response to the evolving circumstances surrounding COVID-19, Chance Theater will be canceling upcoming productions and this weekend's Chance-a-thon fundraiser**

March 13, 2020 ... Anaheim, California ... Chance Theater, Anaheim's official resident theater company, is sad to announce that the upcoming productions of *The Elaborate Entrance of Chad Deity* and *Actually* (which had replaced *Yellowman* in its 22nd Anniversary Season) will be canceled.

According to Managing Director, Casey Long, "The health and well-being of our patrons, artists, and volunteers is our top priority. So, after careful discussion regarding the guidelines from the Governor's executive order in regards to COVID-19, we believe it is in our community's best interest to cancel this weekend's Chance-a-thon community fundraiser and our upcoming productions."

Long continued, "We want to thank all of our amazing volunteers, artists, and patrons who were set for an amazing Chance-a-thon weekend. We will miss the camaraderie this weekend, and the weeks to come. And another big thank you to the incredible production teams of *The Elaborate Entrance of Chad Deity* and *Actually* for all the incredible work they have already contributed to the shows. We are exploring the possibility of rescheduling these productions for a future date and we look forward to creating with all of you again soon."
